

ABSTRACT SUBMISSION DETAILS

1. Submitting an abstract

A. Important Information

1. Abstracts are required for all papers and posters.
2. Each abstract should be no more than 300 words in length.
3. Please include
 - Title of submission (max 50 words)
 - Abstract using headings: Introduction, Methods, Results and Conclusion
 - Name of all authors
 - Institutions and affiliations of all authors
 - Presenting author's grade and email address.
4. Abstracts should be submitted as an attachment in Word format without any patient identifiers, to admin@bssvd.org
5. One author must be registered to attend on both days of the conference for a poster to be presented.

B. Preparation of Your Abstract

1. The work to be presented must be original and unpublished.
2. An anonymous selection process will be used: therefore please do not use identifying features such as names of hospitals, medical schools, clinics or cities in the title or text of the abstract.
3. If the abstract is an experimental one or a clinical trial, please state clearly the hypothesis being tested, describe quantitatively the experimental subject and give an appropriate level of statistical data and details of any formal statistical setting. Statements such as "results will be discussed" are unacceptable.
4. Essential references (max 2) must be cited in the Vancouver style, as used in the British Journal of Dermatology, and must be included in the body of the abstract.
5. Declaration of financial interests: For the proper evaluation of a presentation, it is important that any factors that may influence the objectivity of the presenter are known by the audience. You are therefore required to reveal the source of any commercial funding for the work described in the abstract.
6. Amending or withdrawing a submission. You may wish to change your answers to some of the questions on the submission form, or even to change the abstract file itself. If you want to withdraw an abstract please contact the conference administrator via the email: admin@bssvd.org
